

ANUITE FRUIM PASTOR GREG

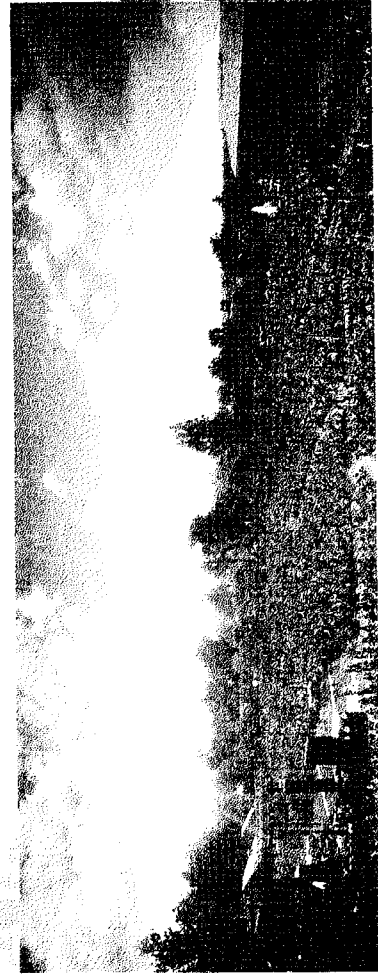

It has long been my desire to effectively communicate the gospel to what may be the world's greatest city, New York City. Through our daily *A New Beginning* radio broadcast, occasional broadcast opportunities on television, and numerous evangelistic events over the past 25 years, we have seized every opportunity to make Jesus known in the greater New York area and neighboring New Jersey.

Now there appear to be even greater doors opening as church leaders throughout the region are praying more fervently than ever, examining new and fresh ways of reaching out to a post-modern culture, and coming together across denominational and social boundaries for the greater cause of Christ.

We at Harvest Ministries are eager to bring our experience in proclamation evangelism and outreach events to assist the churches of New York City and New Jersey toward introducing this generation to our Lord and Savior, Jesus Christ!

MAX LUCADO

"The Harvest Crusade is phenomenal. I'm convinced things are happening there that will reroute the eternal destiny of people."

CHUCK SWINDOLL

"The gathering of thousands of people for the single purpose of focusing their praise and worship on Christ alone is more than inspiring. It is life-changing! Those who attend, longing to fill the empty holes in their hearts with reliable truth, never leave disappointed. Here's why: God has raised up and gifted servant consistently prepares and delivers fresh food for hungry souls."

BILLY GRAHAM

"Greg Laurie is not only a personal friend, but is one of the great communicators of the gospel of Jesus Christ in our generation. They have written him up to be the evangelist of the future, and he is. I highly recommend him."

RICK WARREN

"We have supported the Harvest Crusade every year since it began... Greg Laurie is a man of great passion for Christ and personal integrity. He preaches an uncompromising presentation of the Good News in a loving, down-to-earth manner that today's generation understands and responds to."

DR. TONY EVANS

"God has mightily used Greg in so many different ways and so many different venues. Because of him, many people are in the kingdom through the crusades, a dynamic church, a great testimony, a great man."

JOHN MACARTHUR
